

PRASHANT SANTOSH PALVE

B.E. - Instrumentation Engineering

Ph: +91-9860992546

Email: palveprashant598@gmail.com

Pune, Maharashtra, India

LinkedIn: <https://www.linkedin.com/in/prashant-palve-0136882bb/>

BRIEF SUMMARY

Final-year Instrumentation Engineering student with strong fundamentals in industrial processes, documentation, and data analysis. Experienced through Bosch internship in troubleshooting, SOP preparation, and project documentation. Skilled in MATLAB, industrial communication, and reporting. Seeking a Project Control Engineer role to contribute in planning, monitoring, and execution support for large-scale projects.

KEY EXPERTISE

Control Systems PLC Programming (B&R) MATLAB & Simulink Sensors & Instrumentation
SOP Documentation & Technical Reports

EDUCATION

Dr. D. Y. Patil Institute of Technology

2026

B.E. - Instrumentation Engineering | CGPA: 8.94 / 10

KVN Naik, Nashik

2022

12th | HSC | Percentage: 66.33 / 100

CDO.MERI, Nashik

2020

10th | SSC | Percentage: 93.40 / 100

AWARDS AND SCHOLARSHIPS

- Consistently among top performers, expected Top 10 at University level

INTERNSHIPS

Bosch Limited | Consumer Electronics / Appliances

20 Dec, 2024 - 20 Feb, 2025

Project Trainee

Key Skills:

Embedded Systems Debugging & Circuit Analysis LT Drive & Control Card Troubleshooting
PCB Repair (Optocoupler & IGBT Replacement) Technical Documentation (SOPs) 5S Workplace Practices

- Worked on embedded systems, industrial automation, and PCB diagnostics in a real-time industrial setup.
- Reverse-engineered industrial PCBs to identify signal flow issues and improve reliability.
- Resolved motor communication faults by configuring the Simocom U software.
- Diagnosed and repaired LT drive modules by replacing damaged optocouplers and IGBTs; fixed V/F ratio issue in LTU 350 card by replacing HCPL-7800 isolation amplifier.
- Gained hands-on experience in hardware diagnostics using Oscilloscope, multimeters and logic analyzers.
- Strengthened skills in circuit troubleshooting, signal isolation, and technical documentation (SOPs).

PROJECTS

Diabetic controller

01 Feb, 2025 - 25 Apr, 2025

Mentor: Dr.Anup Vibhute | Team Size: 4

Key Skills:

ESP32 Programming & IoT Integration (Arduino IDE, Blynk) Sensor Interfacing & Signal Acquisition (IR Sensor)
Circuit Simulation & Testing (Proteus, Wokwi)

Project Link: https://drive.google.com/drive/folders/1KKSk8O1_O9NjfcgtpRkGghxH-WCl9vNq?usp=drive_link

- Developed a non-invasive IoT device for glucose control via soleus muscle activation.
- Programmed ESP32 in Arduino IDE; integrated with Blynk app for remote monitoring.
- Used MATLAB for signal validation & analysis of glucose response.
- Designed a user-friendly prototype, adaptable to diverse users.

ACHIEVEMENTS

- o 1) Winner of TechNavinya Project Competition 2025.
- o 2) 3x Department Rank Holder
- o 3)2x SIH Internal Runner Up
- o 4)MSME Innovation Challenge Qualifier

ASSESSMENTS / CERTIFICATIONS

Matlab onramp

Key Skills:

MATLAB Programming Basics Array & Matrix Operations Data Visualization & Plotting Script Writing & Problem Solving

- 1)Gained fundamental proficiency in MATLAB programming and syntax.
- 2)Learned to perform array and matrix operations efficiently for numerical computations.
- 3)Developed skills to create plots and visualize data for analysis purposes.
- 4)Applied MATLAB for problem-solving and basic algorithm implementation.

SEMINARS / TRAININGS / WORKSHOPS

System on Chip (SoC) Online Workshop 2024

01 Apr, 2024 - 05 Apr, 2024

Institute Name: Dr. D. Y. Patil Institute of Technology, Pimpri

Key Skills: Digital Design Microcontrollers, Embedded Systems,

- 1)Gained foundational understanding of SoC architecture and its integration into compact embedded systems.
- 2)Learned key design principles used in SoC development for VLSI and embedded applications.
- 3)Explored real-world applications of SoC in automation, consumer electronics, and communication systems.
- 4)Understood interfacing techniques between hardware components within a SoC environment.
- 5)Enhanced interest and technical insight into VLSI design and embedded system development through expert-led sessions.

CO-CURRICULAR ACTIVITIES

- o 1) Active ISA (International Society of Automation) student member.
- o 2) Anchored the IEEE Paper Presentation Event held at our institute

EXTRA CURRICULAR ACTIVITIES

- o 1) Member of the college Kabaddi team.
- o 2)Represented the department in Badminton during the Parakram event

PERSONAL INTERESTS / HOBBIES

- o 1)Listening to music.
- o 2)Gym and fitness

PERSONAL DETAILS

Gender: Male

Marital Status: Single

Current Address: Sant Tukaram Nagar Pimpri, Pune,
Maharashtra, India

Date of Birth: 23 Jul, 2004

Known Languages: English, Hindi ,Marathi

Permanent Address: Nashik, Panchavati, Pune, Maharashtra,
India - 422004

Phone Numbers: +91-9860992546, +91-9860992546

Emails: palveprashant598@gmail.com , prashantpalve170@gmail.com
